

Making it easy for you.

TRANS TECH

Making it easy for you.

From understanding your challenges, to helping you meet your district's needs, Leonard Bus Sales makes it easy for you to manage your fleet.

Founded in 1965, Leonard Bus Sales is a third-generation, family-owned company and recognized leader in the distribution and support of market-leading, environmentally friendly school buses.

Our team of professionals go way beyond the bus.

Here is a glimpse of our customized support and solutions.

SALES ADVISORY

- Professional Transportation Advisors consult with you to identify transportation solutions to meet your school district's needs.
- Fleet planning experts provide one-on-one consultations and customized fleet planning tools to develop smart fleet rotation plans to maximize state aid.
- Our dedicated Product Specialist is available to help you better understand today's technologically-advanced school buses and transportation safety products.

SERVICE & SUPPORT

- Our school bus experts work quickly to identify and meet your needs to keep your fleet running safely and efficiently.
- Leonard Bus Sales provides one-stop-shop service and warranty support for IC Bus for all fuel types.
- We have full repair capabilities, including Cummins warranty and service support, for all make and model school buses.
- Each of our full-service facilities have highly certified technicians.
- Leonard Bus Sales has the most regional full-service facilities in New York State.

PARTS CAPABILITIES

- We make sure you get the parts you need, when you need them.
- Our team of certified inside and outside parts experts can provide customized ordering and deliver service.
- Leonard Bus Sales provides access to the most comprehensive bus parts inventory in the state and can get parts for all makes and models.
- It is easy to connect with our parts experts by contacting our centralized parts call center at (866) 648-7827 or by email at parts@leonardbus.com or fax us at (315) 336-2761.

TRAINING & EDUCATION

- Our customized training and professional development for transportation supervisors, head mechanics, and technicians makes it easy for you to manage today's complex school buses and ever-changing technology.
- The Leonard Bus Sales Professional Development Series offer customized seminars for school transportation leaders.
- Our highly-certified corporate training expert provides on-site bus maintenance and repair training.

“When you invest in one of our school buses, you not only get a great bus, you get a partner and trusted advisor who is vested in school bus safety and your success.”
