

Making it easy for you.

Our customized approach to Parts.

At Leonard Bus Sales we are committed to making it easy for our School Transportation partners. We are working hard to continue to make it easy for you to maintain your fleet and want to be sure that you have options to obtain the support you need today, and well into the future.

Our parts department is also committed to providing accurate, easy parts ordering options and the proper inventory to ensure you get you the parts you need when you need them.

We offer:

- Simple, best-in class ordering options and shipping minimums
- Parts availability and options for all makes and models
- Next-day availability on in-stock parts from our regional parts distribution center if ordered by noon EST
- The most comprehensive bus parts inventory in the state
- VIN-specific online parts catalogs and ordering available
