

More than great buses

YOUR PARTNER AND TRUSTED ADVISOR

LEONARD
Bus Sales Inc

Earning and maintaining your trust means giving you the best customer support in the industry. At Leonard Bus Sales that is a responsibility we fully embrace.

Founded in 1965, Leonard Bus Sales is a third generation family-owned company and recognized leader in the distribution and support of quality, environmentally-friendly school buses.

Our commitment to passenger safety and determination to give our customers the best is what drives us to provide industry-leading buses and award-winning customer support.

Striving to give our customers the best support in the industry is no easy task; it takes a team of professionals committed to excellence who are willing to go above and beyond.

At Leonard Bus Sales we are more than great buses, we are your partner and trusted advisor.

Drive with **CONFIDENCE**

Leonard Bus Sales gives you the confidence that comes with a family tradition built on decades of award-winning customer support.

Confidence comes from our complete line of environmentally-friendly, fully integrated IC Bus™ brand school buses and Trans Tech's durable, innovative Type-A school bus designs.

Confidence comes from the Leonard Bus Sales "one-stop-shop" customer and vehicle support, cost-saving fleet management services, and our ability to provide service and parts for every make and model bus.

Drive with confidence knowing **Leonard Bus Sales** will be with you every step of the way.
